Attention: Mr. J. Mack Bramlett

Re: Station WHOS(AM), Decatur, Alabama, and Station WDRM(FM), Decatur, Alabama

This letter sets out the Agreement between Dixie Broad-casting, Inc. ("Dixie"), licensee of Stations WHOS(AM), Decatur, Alabama and WDRM(FM), Decatur, Alabama (collectively, the "Stations"), and Region V of the NAACP and its various branches (the "NAACP").

The NAACP enters into this Agreement as a representative of the radio-listening public of Decatur.

It is understood by all parties to this Agreement that Dixie's substantive commitments in Section I herein relate to Dixie's operation of the Stations during such time as it remains the licensee of the Stations, or until April 1, 1996, whichever comes first. Dixie acknowledges that an application to transfer control over Dixie to Mountain Lakes Broadcasting, Inc. ("Mountain Lakes") is currently pending before the Federal Communications Commission ("FCC"), and agrees that the consummation of that transfer of control shall have no effect whatsoever on Dixie's obligations

proposed assignee(s) or transferee(s) to be bound by the terms of this Agreement and to assume any then-uneffected responsibilities of Dixie under this Agreement. Dixie further consents and concurs

high school or college student to intern for reasonable compensation (at least the minimum wage) at the Stations on a full-time basis during the summer. To the extent possible, the interns will be exposed to several job functions, such as sales, production, and promotion. The program will be organized in consultation with the NAACP. Dixie will exercise ultimate discretion for selecting the interns and establishing and administering their employment and other compensation. The NAACP recognizes that the creation of this intern program furthers the goals of the FCC's EEO rule.

- 1.3. The General Manager of the Stations will meet annually with the President of the Branch or his or her designee(s). Among the items on the agendas of these meetings will be the following matters:
 - a. Recruitment sources to be used when job openings occur;
 - b. Training and internship opportunities for minorities for positions in broadcasting;
 - C. Progress toward employment of minorities at the Station, including the Stations' Top Four job categories, consistent with the FCC's Equal Employment Opportunity policies;
 - d. Programming and/or public service announcements on the Stations of interest to minority organizations in the Stations' service area; and
 - e. Opportunities for minority businesses to provide goods and services to the Stations.

1.4. NAACP recognizes and agrees that its role with respect to the operation of the Stations shall be consultative in nature, and that the operation of the Stations and, in particular, the implementation of Dixie's affirmative action plan and other employment policies, shall be the responsibility of Dixie in its good

disbursements to all NAACP counsel who provided services in connection with this matter.

- 2.3. Unless otherwise provided, the following terms shall govern in the event of any default of the terms of this Agreement:
 - a. In the event that either party breaches this
